

Faculty Profile

Name: Mrs.Nitya V Arnold

Designation: Assistant Professor

Educational Qualifications

- M.Tech in Civil Engineering

Area of Specialization

- Construction Management and Engineering

B.Tech Project

- Design and Analysis of a Steel Dome Auditorium

M.Tech Thesis

- Cost Analysis of a Building Using MATLAB

Research Interests

- Water Resources Engineering
- Environmental Engineering

Additional Certifications, FDPs, Workshops, and Training Programmes

- Participated in various Faculty Development Programmes (FDPs), workshops, and technical training programmes related to Civil Engineering and higher education.

Technical Skills and Areas of Expertise

- Construction Planning and Management
- Building Cost Estimation and Analysis
- MATLAB Applications in Civil Engineering
- Structural Analysis and Design

- Water Resources and Environmental Engineering
- Engineering Drawing and Civil Engineering Software Applications

Teaching Experience

- 15 Years of Teaching Experience in Civil Engineering

Industry Experience

- 6 Months of Industrial Experience at KINFRA

Contributions to Research, Consultancy, Extension Activities, and Institutional Development

- Actively involved in academic and departmental activities.
- Assistant Camp officer of KTU valuation camp.
- Faculty Convenor of Alumni association of JIT.
- Contributed to curriculum delivery, student mentoring, and project guidance.
- Participated in institutional development initiatives and quality enhancement
- Contributed to organizing technical events, workshops, seminars, and outreach programmes.
