

PROFILE

Full Name & Designation: **Beno Ben B P**, Assistant Professor in EEE Department

Educational Qualification: ME- Control and Instrumentation

BE- Electrical and Electronics Engineering

Diploma – Electrical and Electronics Engineering

MSc – Psychology

Area of Specialization: Control and Instrumentation

BE Project: VLSI Design of 16-Bit processor Using VHDL

ME Project: Fuzzy Logic Based Load Frequency Control of Interconnected Power System.

Research Interest and Publications:

- 1) A paper titled “Multiregion object segmentation methods a survey” is published in International Journal of Scientific Engineering and Technology.

Additional Certifications, Courses, or Training Programmes Completed:

- 1) Attended one day **workshop** on “Application of Artificial Intelligence on Computer Vision” conducted by Gold Light Technologies, Udiyankulankara.
- 2) Attended two-day **workshop** on “Energy management and Audit” conducted by energy management Centre, Kerala.
- 3) Attended one week **faculty development programme** on “Recent Trends in Power electronics and drives” conducted by APJ Abdul kalam Technological university Kerala.
- 4) Attended 2 days **faculty development programme** on “Artificial Intelligence” conducted by John Cox memorial CSI Institute of Technology, Trivandrum. Kerala.
- 5) Attended 3 days **training programme** on “Sustainable engineering” conducted by Kerala Technological University, Trivandrum
- 6) Attended 2 days **National level seminar** on “Energy Conservation and Management” conducted by Kerala State Council of Science and Technology, Trivandrum.
- 7) **Training** and Orientation Program on Drone Technology Organised by Garuda Aerospace Pvt Ltd, Chennai.
- 8) NPTEL ONLINE CERTIFICATION **12 Week course** on Fuzzy Sets, Logic and Systems & Applications (from Jan-Apr 2026).
- 9) Certification of Appreciation **Paper presentation** on A Firefly Optimized Level Set Method for MR Brain Image Segmentation. On 8th April 2026.

Technical Skills and areas of Expertise:

C, C++, Java, MATLAB

Awards, Achievements, and Recognitions:

- 1) Certificate of Appreciation, Department of Factories and Boilers, **Government of Keralam** in March 2023.

Teaching Experience:

- 1) **John Cox** Memorial CSI Institute of Technology, Trivandrum – 14 years (from 03-12-2011 to Still working)
- 2) Immanual Arasar JJ College of Engineering, Marthandam – 2 years (From 01-07-2009 to 30-11-2011)
- 3) James College of Engineering and Technology, Nagercoil – 1 year (From 17-07-2008 to 29-05-2009)
